EDUCATION BACKGROUND

Bachelor of Science (Honours) in Computer Science (Artificial Intelligence), Mar 2024 - Mar 2027
Dual Degree
Asia Pacific University of Technology and Innovation, De Montfort University |

INTERESTS AND SKILLS

Programming Languages: Python, Java, C#, SQL, R
Web Development: HTML, CSS, JavaScript, ReactJS, Node.js, Tailwind CSS
AI & Machine Learning: TensorFlow, PyTorch, scikit-learn, OpenCV, Hugging Face, Botpress
Data Science & Analytics: NumPy, Matplotlib, Jupyter Notebook
Cloud & DevOps: AWS, Linux, Git/GitHub
Other Tools & Frameworks: Convex

KEY PROJECTS

Lexio – AI-Powered Learning Companion | React (Vite), Tailwind, Shadcn/ui, Framer Motion, Convex, Clerk, Google Gemini API, Google Text-to-Speech, Vercel June 2025-Present

- Built an intelligent study platform that helps students learn faster by generating personalized notes, flashcards, quizzes, podcasts, and concept maps from documents and YouTube videos.
- Designed features for study planning, progress tracking, and community forums, improving collaborative learning and retention.
- Integrated Google Gemini API for AI-powered content generation and Text-to-Speech for creating audio learning resources.
- Deployed on Vercel with a secure Convex backend and Clerk authentication, ensuring scalability and user data protection.

EXTRACURRICULAR ACTIVITIES & VOLUNTEERING

Vice President & Head of Logistics

TEDx Asia Pacific U | Sept 2024 – Present

- Co-led TEDx APU 2024 (“Innovation in Education and Beyond”) with 400+ attendees, managing logistics, venue setup, scheduling, and technical operations.
- Coordinated with university administration to host meetings and secure approvals for event execution.
- Directed executive committee operations, fostering cross-team collaboration and strategic alignment with the President.
- Organized a JobStreet career development workshop, enabling student-employer networking opportunities.

Technical Assistant (Part-Time)

Asia Pacific University | Oct 2024 – Dec 2024

- Delivered on-site technical support for 30+ students daily, including PC repair, software deployment, and hardware troubleshooting.
- Assisted with system updates and lab environment setup, ensuring consistency across devices across campus.
- Enhanced communication and problem-solving skills through direct support to students and staff.

President

Campus Hope APU (Student Club) | Jul 2024 – Present

- Lead student wellbeing initiatives through events and mental health programs, impacting 100+ students.
- Oversee planning, communications, and execution of club activities.

LANGUAGE SKILLS

Language: English, French(A2 proficiency)
